Murder on the Orient Express

Hamilton Family Theatre
Cambridge

An avalanche stops the luxurious Orient Express dead in its tracks during a winter storm in 1934. There's a murder, a killer still on board, a train full of suspects, and an impossible case to solve. Can the debonair Hercule Poirot, the world's most famous detective, crack a case riddled with deception, revenge, and justice before the train reaches its destination?

This clever adaptation of the Agatha Christie classic boasts all the glamour, intrigue, and suspense of the celebrated novel, alongside a healthy dose of dark humour to create a deliciously thrilling ride and ingenious murder mystery.

Gripping, tense, and masterfully cryptic, you will be on the edge of your seat guessing until the train reaches the end of its line and Poirot delivers his breathtaking verdict.

- September Speakers -

September 3
"Canadian Architectural Styles"
Speaker: Don Mikel

Don was the founding member of Local Architectural Conservation Advisory Committees (LACACs) then Provincial Chair of the LACC steering Committee.

His most notable book published by James Lorimer Publishing Inc in 2025 is Canadian Architectural Styles, A Field Guide the first such national guide and what he will base his talk on today.
