The RCMC tour of the Flight Centre at Waterloo Wellington Airport was a big success. We had a party of twenty-five made up of members, spouses, guests, and grandkids. All enjoyed the presentation by Justin, the CEO and GM of the Flight Centre and a tour of the flight apron, hangars and simulators given by Ian. The new Pipistrel Electric airplane was a big hit with the group.

Kudos to the Activities Committee and to Dave Fisk for organizing the event
