Tour de Guelph 2026 - Royal City Men's Club

For those new to the **Tour de Guelph**, it is a major fundraising event for **Guelph General Hospital** plus charities supported by **Rotary Clubs of Guelph South and Guelph Trillium.** This event has been operating for 12 years and during that time has raised over $1.4 million. More details in the link at the end of this memo.

Last year, the **RCMC** team was the **top fundraising team** so we need the help of everyone in the club to be the top team once again. Every little bit helps.
