

Thurs April 30, 2015 - 9th Anniversary Meeting and Luncheon

Speaker: Steve Jett PhD, Posttraumatic Stress and Recovery from Trauma Dr. Steve Jett is a Registered Clinical Psychologist. He earned his doctorate in Counselling Psychology from Indiana University. Steve is in private practice at the Westmount Medical Centre in Guelph. The focus of his clinical work is posttraumatic stress disorder (PTSD), acquired brain injury (ABI), adolescent anxiety and depression, and couples therapy. Steve has extensively studied three areas: how people change, performance psychology, and psychology-based community service. He is looking forward to talking with us about recovery from Posttraumatic Stress. jettpsychologicalservices.com
