December 8th. 2022 Christmas Luncheon

Christmas Luncheon December 8th,
Victoria East Country Club.

A Message from your President...

Hello Fellow Members

It is difficult to believe that December is just around the corner. We only have two speakers remaining in this calendar year. Abby Watts, Guelph City Planner, will be leading us through the new building intensification by-law this Thursday and she will be followed on November 24th by our old friend Ian Evans, who will be taking us on his recent challenging cross Canada bicycle trip. We have always enjoyed his high risk ventures.

The Christmas Luncheon will take the place of the December 8th meeting.

Your Events Committee is working diligently to make this traditional showpiece club event a success for the club after all of our successive cancellations due to COVID. The luncheon takes place in a magic location overlooking the Golf Course and along with the decorations, including a large Christmas tree, creates a setting that kicks off the Christmas season. The buffet luncheon provides an excellent variety of fine foods. When you include our own D.J., the one and only Ritchie Zell, you will want to get your dancing shoes on.

The Events Committee has secured some great gifts for our prize draw which is included in the ticket price. To make our prize list even longer we are sending out the usual club request for members to donate additional gifts for the draw. If you would like to donate a bottle of wine or spirits, a nifty regift or other item let Ken Marchant know.

We have had a great response for tickets from the membership so far. There are tickets remaining for you and your spouse, you and your significant other, you and a guest or come on your own. See Ken Marchant for tickets at the meetings or e-mail Ken at...

marchjack@rogers.com or phone Ken at 519-824-3412. If you are in need of a ride please let Ken know and arrangements will be made.

What a great event to come together as a club with fellowship in the spirit of Christmas. See you there...

John
