Kevin Coghill: Homelessness In Guelph

**Presentation:**

Using story, Kevin will be sharing about the work of Royal City Mission, with a focus on community/relationship as a key element.

**Bio:**

Kevin has worked with “pushed away” people for over 20 years. He has experience in the Juvenile Detention system, Drug Rehabilitation, Youth Drop In, and for 14 years at Royal City Mission in downtown Guelph. He believes that there is beauty in brokenness and searches to find the hidden beauty in people that others reject. Focusing on relationship as the key to helping people grow in their humanity and well being, Kevin can often be found engaging in community meals, playing cards and sharing his love of art and music. In his spare time Kevin enjoys family meals with his wife (Leanne) and 3 adult children, coaching wrestling and playing guitar.
