THE JUNO BEACH CENTRE
CANADA IN NORMANDY

Founded by veterans and volunteers as a permanent memorial and education centre dedicated to Canada’s contribution in the Second World War

After raising over $10,000,000 in Canada and France, their vision was finally realized in June 2003.
A PLACE FOR CANADIANS TO GATHER
TO REMEMBER AND GIVE THANKS
LOOKING FORWARD TO 2019

75th ANNIVERSARY OF D-DAY AND THE NORMANDY CAMPAIGN

Juno75
For a donation of $100, you will receive a pair of Juno75 Dog Tags, one which honours one of the 5,500 Canadians killed during the Battle of Normandy, and the other which is customizable to you, as well as a biography of the featured soldier. With your help, we can ensure their sacrifice will not be forgotten.
Next summer, we launch our first student pilgrimage! High school students from across the country can apply for a pilgrimage to Northern France and Belgium, an unparalleled opportunity which takes the themes and events students learn about in the classroom and connects them to the real places where these events took place, 75 years ago.
